

Nature's Gym – Improving fitness, minds, and local wildlife for all to enjoy.

Nature's Gym is an exciting partnership between the London Borough of Lewisham and Glendale Grounds Management, bringing together community, fitness, and the great outdoors. Join us to boost your wellbeing while making a real difference in your local park or nature reserve. From hands-on conservation activities to practical outdoor tasks, every session is a chance to get active, learn new skills, and help nature thrive. Best of all, it's completely free, welcoming, and open to everyone — no experience needed. Just bring your energy and we'll take care of the rest!

NATURE'S GYM – ALL YOU NEED TO KNOW

Sessions run between 11am-2pm.
Please call or email to confirm your attendance.

We always try to offer a good variety of tasks at each session. However, this isn't always possible, and some activities may not be suitable for everyone. Please check the task details in advance to make sure it's right for you. If you're unsure, please feel free to give us a call.

Please arrive at the meeting point on time, because the work site can sometimes be a 10–15 minute walk away and we'd hate for you to be left trying to find us! If you arrive more than 15 minutes late, you may not be able to take part in the session, as you'll miss important health and safety information.

Just a quick heads-up: Toilets aren't available at every site. We'll mark them where we can, but we can't guarantee they'll be open

If you have any questions, please feel free to contact Jess or Emily who will be happy to help.

There are other groups running volunteer session in the Borough – details of these can be found on our blog www.natureconservationlewisham.co.uk

Gloves	Please bring your own gloves if you have them
Be sure to bring	<ul style="list-style-type: none"> • Appropriate clothing for the weather and tasks. Sturdy boots, preferably with steel toe caps. Please no sandals! • Lunch if required and water – especially on hot days. • Any medication you need, i.e. inhaler, EpiPen, antihistamine, insulin/sweets for diabetes.
We take care of	<ul style="list-style-type: none"> • Tea/coffee • All tools • Gloves
Please check	<ul style="list-style-type: none"> • With the event coordinator before your session—plans can change, and they'll keep you in the loop. • Take a look at the day's task to see if it suits you. If you're unsure, give us a call to chat

Nature's Gym – Improving fitness, minds, and local wildlife for all to enjoy.

Nature's Gym is an exciting partnership between the London Borough of Lewisham and Glendale Grounds Management, bringing together community, fitness, and the great outdoors. Join us to boost your wellbeing while making a real difference in your local park or nature reserve. From hands-on conservation activities to practical outdoor tasks, every session is a chance to get active, learn new skills, and help nature thrive. Best of all, it's completely free, welcoming, and open to everyone — no experience needed. Just bring your energy and we'll take care of the rest!

NATURE'S GYM – ALL YOU NEED TO KNOW

Sessions run between 11am-2pm.
Please call or email to confirm your attendance.

We always try to offer a good variety of tasks at each session. However, this isn't always possible, and some activities may not be suitable for everyone. Please check the task details in advance to make sure it's right for you. If you're unsure, please feel free to give us a call.

Please arrive at the meeting point on time, because the work site can sometimes be a 10–15 minute walk away and we'd hate for you to be left trying to find us! If you arrive more than 15 minutes late, you may not be able to take part in the session, as you'll miss important health and safety information.

Just a quick heads-up: Toilets aren't available at every site. We'll mark them where we can, but we can't guarantee they'll be open

If you have any questions, please feel free to contact Jess or Emily who will be happy to help.

There are other groups running volunteer session in the Borough – details of these can be found on our blog www.natureconservationlewisham.co.uk

Gloves	Please bring your own gloves if you have them
Be sure to bring	<ul style="list-style-type: none"> • Appropriate clothing for the weather and tasks. Sturdy boots, preferably with steel toe caps. Please no sandals! • Lunch if required and water – especially on hot days. • Any medication you need, i.e. inhaler, EpiPen, antihistamine, insulin/sweets for diabetes.
